

Disposable White Lab Coat

Carter-Health Disposable Lab Coats are specifically designed for IV Lab Technicians and custom tailored to be protective without compromising comfort or compliance.

The wicking fabric pulls sweat and moisture from the skin very quickly, providing breathability and coolness for technicians working in the IV Room.

Product Features:

- Non-Woven, Non Shedding, Wicking Fabric
- Soft, Lightweight Fabric
- Highly Fluid Resistant
- Knit Collars & Cuffs for Comfort & Protection
- Best Solution for USP Compliant Garbing
- Available in 6 Sizes
